### **DETAILED ACTION**

- 1. The application having been allowed, formal drawings are required in response to this Office Action.
- 2. The following is an examiner's statement of reasons for allowance: applicants' arguments have been fully considered and deemed to be persuasive. The present invention teaches precharging the buses to a specific level between ground and Vdd, which results in equal low differential voltage swings, providing increased speed of data transfer. The prior art of Lee et al. does not teach such precharging buses as described above.
- 3. Claims 1 and 3-9 are allowed. Applicants have canceled claim 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vibol Tan whose telephone number is (703) 306-5948. The examiner can normally be reached on Monday-Friday (7:00 AM-4:30 PM).
